

WIDE WORLD REFEREE EVALUATION

Wide World of Indoor Sports welcomes customer feedback on all of our programming. As part of this effort, we'd like to invite coaches and board-members to assist us in our Referee Evaluation process. This is a volunteer role intended to assist Wide World in heighten the experience for players, coaches and referees in our facility.

Volunteers will watch a league game with specific focus on areas such as presence, rule knowledge, communication, and control of over game-play.

Program Details:

- To be conducted by a team coach or board member who has a player-pass.
- Evaluations are to be conducted prior to your league game or on a day where you have no league game; may not be conducted after your game occurs.
- Individuals may not evaluate a game where another team from their organization is playing or where a family member is coaching or playing.
- The evaluation process requires volunteer to arrive 10 minutes before a game and stay 10 minutes after a game.
